Dear Mr. Greenfield:

I would like to take this opportunity to thank you for allowing me to participate in two very important medical/business projects in my career over the past seven years.

I must tell you that I have never worked with such a professional organization such as The Greenfield Group. In my two experiences with The Greenfield Group, GGL Partners, Ltd., and WUP Partners, Ltd., I found the organization of each project to be efficient and low stress. This is extremely important in this day and age. The contractors worked closely and effectively with myself and my staff and as well my administrative group, Advanced Dermatology Management.

It truly has been a pleasure. I hope we can partner on other projects again in the future. On a more personal note, as always, I hope you and your family are well and if there is anything that you need, at any time, please do not hesitate to contact me, at my cell 954-242-1632. Thank you again.

Very truly yours,

Brad P. Glick, D.O., M.P.H.
